REMark is a HUG membership magazine published 12 times yearly. A subscription cannot be purchased separately without membership. The following rates apply.

	U.S. Domestic	Canada & Mexico	International
Initial	\$20	\$22*	\$30*
Renewal	\$17	\$19*	\$24*

*U.S. Funds.

Membership in England, France, Germany, Belgium, Holland, Sweden and Switzerland is acquired through the local distributor at the prevailing rate.

Limited back issues are available at \$2.50 plus 10% handling and shipping. Check HUG Product List for availability of bound volumes of past issues. Requests for magazines mailed to foreign countries should specify mailing method and appropriate added cost.

Send Payment to: Heath Users' Group
Hilltop Road
St. Joseph, MI 49085

616-982-3463

Although it is a policy to check material placed in REMark for accuracy, HUG offers no warranty, either expressed or implied, and is not responsible for any losses due to the use of any material in this magazine.

Articles submitted by users and published in REMark, which describe hardware modifications, are not supported by Heathkit Electronic Centers or Heath Technical Consultation.

HUG is provided as a service to its members for the purpose of fostering the exchange of ideas to enhance their usage of Heath equipment. As such, little or no evaluation of the programs or products advertised in REMark, the Software Catalog or other HUG publications is performed by Heath Company, in general and HUG in particular. The prospective user is hereby put on notice that the programs may contain faults the consequence of which Heath Company in general and HUG in particular cannot be held responsible. The prospective user is, by virtue of obtaining and using these programs, assuming full risk for all consequences.

ON THE COVER: A series of photos depicting Vega-Bound 1. See page 7 for an in-depth review.

1. One of the navigation screens used for selecting a new target star for the computer to "lock" onto.
2. In a cavern, I battle for my life against attacking aliens. If I survive, I'll obtain their book of knowledge and be eligible for advance in rank.
3. I have already picked up some valuable findings on this planet and am taking off from a landing point. The defense tower is to my right and the pesky flying saucer is to my left.
4. Bingo! Got one of the enemy space ships on my way to Vega. Two more to go before I can resume normal speed.
5. Oh, oh. Black hole ahead and no way to avoid it.
